

Our commitment to you

As an Investor who has chosen to invest (or is considering investing) through Novia Global, we value the relationship with you and we believe you have the right to a fair, swift and courteous service at all times.

We aim to provide Investors with the highest standards relating to the provision of our investment service at all times. However, sometimes things can go wrong and when this happens we encourage Investors to tell us about it, so we can investigate the matter and put things right where necessary.

Relevant to providing a first-class service we investigate any complaint about the service we provide as required by the Financial Conduct Authority (FCA) rules in relation to an investment firm.

Our policy and complaints procedure have been established so that Investors can be confident that a complaint can be easily brought to our attention and to provide assurance that Novia Global will fully investigate the complaint, act promptly and be transparent in our complaint communications.

Telephone: **+44 (0) 1225 517 517**

Our approach

We aim to resolve complaints promptly. Many complaints can be fairly resolved in this way because it is our policy to put Investors back into the position that they should have been had Novia Global processed the instruction correctly. Such prompt resolutions are best handled and resolved by our client services team.

Occasionally the complaint may require more time to investigate, possibly because any proposed prompt resolution is not accepted by the Investor, due to the circumstances being more complicated, due to delays in bringing the complaint to our attention, the involvement of other parties or the potential values involved. Such complaints are investigated by the compliance team whom are independent of staff carrying out the administration of Investor accounts.

Our process

We listen to the concerns raised by the Investor, or someone acting on their behalf. We will acknowledge the complaint. If the complaint has been made by telephone we will summarise the points of the complaint which provides the opportunity to clarify any misunderstanding we may have made.

We gather information from our records which may include, amongst all the information available to us, listening to recordings of phone conversations, reviewing documentation received and details of instructions submitted to Novia Global. We may request further information from the Investor or their Adviser. We may need to engage with third parties that were involved in the transaction.

Our aim is to objectively and fairly assess whether anything has gone wrong and who is or should be responsible. We explain our findings in a final response letter that is sent to the Investor or the person complaining on their behalf. If we are unable to send a final response letter within 8 weeks we will write to you to explain the current position. We aim to issue final responses much quicker than this and we will inform you of progress if it is taking longer than expected.

If we have accepted responsibility for the cause we will propose how we will resolve it. We intend to explain our findings and proposals in plain English to make it easy to understand. We are willing to provide any further clarification if this assists Investors. It is our policy to ensure that all outcomes are fair and easy to understand.

Investors' rights

Novia Global hopes to resolve all complaints in a prompt and fair way. Even if Novia Global does not accept the complaint against us we will explain why in our final response letter. Investors* have the right to refer complaints to the Financial Ombudsman Service if either Novia Global has taken too long to respond to a complaint or the Investor does not accept the outcome that we have explained.
