

These charges apply as at the 01/11/2023 and are subject to regular review. Unless stated, percentage charges are taken monthly in arrears (with a proportion of the percentage charge taken in the first month) from the cash facility of the product from which the transaction is undertaken. You can see the charges taken by reviewing your online history summary at any time.

Adviser Charging

With this charging option your adviser can receive an initial charge of up to 5% of your investment and/or an ongoing charge of up to 2%. An ad-hoc charge of up to 5% can also be supported (maximum of 2% within a SIPP).

Platform and associated administration services

Investment Services

Investing in investments carries costs. Investment managers take ongoing and sometimes an initial charge. You should read their literature to understand what these are. The following table highlights the charges for providing safe custody of assets, dealing in investments and obtaining special investment support (through a discretionary fund manager).

Charge	Amount	What it covers
Discretionary Fund Management Service Charge	Guideline 0.3% - 0.5% of the amount under their discretion (depending on the DFM selected).	For a DFM providing services.
Dealing and Custody Charge - funds	<p>\$5 for each trade in a GB, Luxembourg or Irish domiciled fund, \$10 in Channel Islands domiciled. \$175 for non-standard instructions. For custodian services there is a charge of 0.04% per annum of the total account value, excluding cash. One twelfth of this charge is payable each month and is based on the month end value.</p> <p>A fee of \$50 applies to each line of stock re-registered to the service.</p> <p>A fee of \$3 applies to each trade created as part of a rebalance.</p>	To place and fulfil an instruction to buy or sell a fund and for holding assets (providing custodian services) in the nominee account in Jersey. The charges are taken from the cash facility.

Exchange Traded Investment Charges

Exchange traded investments include a range of securities listed on exchanges including shares (equities), government bonds (gilts) and investment trusts.

Charge	Amount	What it covers
