

Charges Schedule

These charges are subject to regular review. Unless stated, percentage charges are taken monthly in arrears (with a proportion of the percentage charge taken in the first month). All charges are taken from the cash facility of the product from which the transaction is undertaken.

You can view the charges taken from your product by reviewing your online transaction history at any time.

Adviser Charging

Your adviser can receive an initial charge of up to 5% of your investment and/or an ongoing charge of up to 2%. An ad-hoc charge of up to 5% can also be supported (maximum of 2% within a SIPP).
